INFORMATION DISCLOSURE STATEMENT TRANSMITTAL

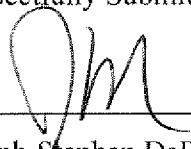

Commissioner for Patents:

In accordance with 37 CFR 1.56 and 1.97 through 1.98, applicants wish to make known to the U.S. Patent and Trademark Office the references set forth on the attached Information Disclosure Statement. Copies of cited U.S. patents and published patent applications are not required and have not been provided. As to any reference cited, applicants do not admit that it is "prior art" under 35 U.S.C. § 102 or 103, and specifically reserve the right to traverse or antedate any such reference, as by a showing under 37 CFR 1.131 or other method. Although the aforesaid references are made known to the Patent and Trademark Office in compliance with applicants' duty to disclose all information they are aware of which is believed relevant to the examination of the above-identified application, applicants believe that their invention is patentable.

Please acknowledge receipt of this Information Disclosure Statement and kindly make the cited references of record in the above-identified application.

Applicants authorize the Director to charge \$180 to our deposit account No. 50-3279 for submission of this Information Disclosure Statement. The Director is also authorized to charge any additional fee or credit due by way of submission of this Information Disclosure Statement to said account.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Jm', is written over a horizontal line.
